Parental Circular

UKG to Class 9

Session 2021-2022

Dear Parent

Welcome to another year of your ward's educational journey in school. The past one year has been somewhat turbulent but it has established some vital truths in our lives that will last a lifetime; that resilience and ability to adapt are the two most powerful assets for any human being; that circumstances do not govern our lives- rather it's the human beings, who with their determination and ingenuity can govern all circumstances. The indomitable human spirit will always bounce back with renewed energy and effervescence. And here we are - at the threshold of the new Academic session- equipped with all the energy and enthusiasm to embark on the annual academic sojourn. Keeping in mind the safety of students and teachers, the new session will be commencing **ONLINE** from Monday, **April 5, 2021**.

Virtual Platform is no more a novelty but a few facts need constant reiteration. With your ward setting foot into a new class, a request to all of you to make certain that your child maintains the sanctity of the Virtual classroom at all times. Children, at times, are bound to become restless and as their guardians, we need to step in intermittently not only to establish rules but also to check that they are being followed meticulously. Methodology of the online class remains the same as followed in the previous session, parents must oversee their children and be present with them during the duration of the online classes. Please ensure-

- Your ward is neatly dressed for the class and sits in an earmarked, comfortable workstation, which is free from any disturbance when[s]he attends her/his classes.
- [S]he logs in 5 minutes before the class starts as *latecomers will not be allowed entry*.
- Ensure that there is a steady internet connection when the classes are going on.
- The microphone and camera must be turned on only at the time of participation in any activity or while answering questions, at all other times it must be in the *off mode*.

Ensure that your ward joins his/ her **MEET/ ASSESMENT Class Card** at the specified time for an **Introductory Interaction with the Class teacher**.
