Rescheduling of Summer Vacation for Academic Session 2021-22 and Suspension of Online Teaching Learning Activities

Dear Parents

Greetings of the day!

In view of the recent unprecedented surge in Covid 19 pandemic, the DOE, vide Circular No. PS/ADE/PSB/2021/1665-1670 dated 21 April 2021, announced Summer Vacations and Suspension of Online Teaching Learning Activities from 20 April, 2021 to 9 June, 2021. Accordingly the school has scheduled the Summer Vacation for Academic Session 2021-22 from 21 April, 2021 to 9 June, 2021.

In these testing times, it becomes the primary duty of the School Management to provide emotional as well as social support to our children in the form of creative assistance, value education, skill development, experiential learning and numerous joyful learning activities. Therefore, we have planned Experiential Learning and Value Education Programme for our youngsters from 26 April, 2021 to 8 May, 2021. Detailed Schedule of the Remedial/ Creative Programme will be uploaded in the Class Notice Board latest by 2:00 p.m. on Saturday, 24 April, 2021.

Summer Vacation is considered to be a period of extended and intensive co- curricular growth for the young learners. It is a period judiciously utilized for bringing about a qualitative as well as quantitative improvement in the overall development of children at a creative and leisurely pace. However, the present stress laden scenario is challenging the very foundation of our infrastructure. In view of the prevailing harsh times, let us ensure we directionalize our children towards building positive life skills and values- thereby steering them away from the prevailing turmoil. Right step in the right direction at this crucial juncture will determine their attitude for the rest of their lives.

Let us all join hands in safeguarding their emotional security as well as physical safety.

Follow Covid protocol at all times to stay safe.

With a prayer that everyone remains safe in these tough times.
