The COVID 19 pandemic has necessitated that the school continues to function in a virtual mode in the Academic Session 2021-22. Keeping the dynamic scenario in mind CBSE vide Circular No: Acad-51/2021 dated July 05, 2021 has launched a 'Special Scheme for 2021-22' for students appearing for Board Examinations.

The circular can be accessed through the link

The first set of Periodic Test for this term has already commenced. Updates for all other Tests and Examinations, as done earlier, would be available on the school website Student Login ID.

It is of utmost importance that your ward prepares well and appears for all Internal Tests and Examinations since depending on the circumstances, as detailed in above CBSE circular, these marks may be used for tabulation of CBSE Board Result.
