CBSE Roll Number Finder for Classes10 & 12 - Session 2020-2021

Dear Parent

Greetings of the day!!!

The wait for CBSE 2021 results is now almost over, and while our students await anxiously for the same, the School Management wishes them Best of Luck. This has been an unprecedented year, wherein due to the ongoing pandemic, the Board Examinations were cancelled by CBSE for class10 and 12 vide notifications dated 01.05.2021 and 01.06.2021

The result of the students is prepared on the basis of the Historical Data of the school as per various CBSE circulars and guidelines. We at SPS, Rohini have tried our best to be fair, just and take all examinations conducted in school, especially offline, into account while tabulating results as per CBSE guidelines.

The result so declared can be accessed using CBSE Board Roll Number and /or digilocker of the student.

Class 12 students have appeared for Board Practical and are therefore already aware of their Board Roll Numbers.

Class 10 Board Roll numbers have already been sent on 13.07.2021, via SMS.

Since admit cards were not issued by the Board so in order to facilitate finding the Roll Number of these classes, CBSE vide circular No.CBSE/CE/ROLL NUMBERS/2021 dated 29.07.2021 has launched a facility called “**The Roll Number Finder**” on Board’s website. The link for the same is as follows:

https://www.cbse.gov.in/cbsenew/documents//20210729_Information%20about%20Roll%20Numbers%202021%20English.pdf

All our wishes and prayers are with our students as they impatiently wait for the declaration of their result.

A word of caution again, please follow COVID protocol and ensure you and your ward remain safe.

With best wishes

Principal
