Parental Circular Workshop and Interactive Session - Class VIII

Dear Parents

Greetings of the day!

Every new challenge is the key to open a new opportunity. Last year saw our students grappling with the virtual classroom as schools remained closed due to the Covid 19. The current year has brought with it a new convergence as students remain inside their homes and virtual classrooms are no longer a novelty.

To enhance the performance of our students we have been constantly renewing the academic approach and have been successful in ensuring high quality of learning for our students. Yet the constraints of a Virtual Classroom cannot be denied and hence cannot be left unattended. The session started with zeal and Half Yearly Examinations are scheduled from 9 September, 2021. With students entrenched in their comfort zone, we now need to re work our strategies to reappraise the values of self discipline and self studies in them. To enable students to develop a strong mindset and learn the significance of discipline in their lives, the school has a division of **National Cadet Corps (NCC)** with an aim of developing qualities of character, courage, comradeship, discipline, leadership and the ideals of selfless service amongst youth.

As our students are at a very impressionable age, we need to work together to inculcate study habits, etiquettes, discipline and humane values in them.

As a step towards this, an **Online Workshop** will be held on:

Date: **Thursday, 19 August 2021**

Time: **12:30 p.m.**
