### Good Luck Havan and Interactive Session on Demystifying the OMR Sheet

Dear Parents

*Life is continuous.....let's carry on amidst transformations.....*

After a considerable tumultuous span, it is heartening to return to the familiar pattern of life. This gradual return ensues that we accept the new normalcy whilst following the safety measures that helped us through the tough times.

As we prepare for the impending Board Exams, with everyone's well being in mind, we invite all the students of Class 10 & 12 to the Online **Good Luck Havan** on Friday, 12 November, 2021 at 8:30 a.m. followed by an Interactive Session on **Demystifying the OMR Sheet**. This Interactive Session is an attempt to smoothen the doubts posed by the new testing strategies as precise attempt is a precondition to an excellent performance. Please ensure that your ward joins his/her **English Subject Card** at 8:25 a.m.

Regards

**PRINCIPAL**
