Dear Parent

With COVID cases on a decline, the countdown for School to reopen in an Offline mode only has begun. As we prepare ourselves for the same, it is of utmost importance that we keep ourselves and our young ones safe.

All teachers and school staff are fully vaccinated. Most of the students in the age group of 15 to 18 years have had their First dose of Covaxin and have had or will be taking their Second dose.

The details have been given in the circular No.PS/DE/2022/128 dated 17.03.2022. You are advised to go through the said circular on the link given below:
