Class 10 Session 2021-2022- Online Revision

“Continuity is the sweetest note of Success in any endeavour”

Dear Parents

Greetings of the Day!

The countdown for Term 2 CBSE Board Examination has already begun and all efforts are being made to prepare our students for the forthcoming Exams. To facilitate their preparation, Offline Revision Classes were conducted for them. In order to ensure continuity in their revision, from Monday, 4 April 2022, Online Doubt Sessions have been scheduled for them where they can clarify all their doubts subject wise. This will not only maintain regularity in their revision but also ensure prompt redressal. Please check their Meet Card for the regular updates of the Online Doubt Clearing Sessions and Offline Revision Classes that will be scheduled before the commencement of Board Exams.

Let's join hands for better preparation and outcomes.

Regards

PRINCIPAL
