Offline PTM and Schedule for Online Classes Classes VI – X and XII

Thursday, 21 April, 2022

Dear Parents

The New Offline Academic Session commenced on 1 April, 2022. The enthusiastic exuberant faces of our students continue to inspire us to go that extra mile to ensure their well being. We appreciate your wholehearted cooperation in supporting us in our earnest efforts to get back into routine - be it curricular or co curricular activities, examinations, vaccination camps, etc.

The CBSE Term 2 Examination 2022 is commencing from Tuesday, 26 April, 2022, for which our School has been designated as an Examination Center for around 800 students. As always, we have tried our best to ensure that regular school studies continue undisturbed. At the same time, in order to accommodate students appearing for Board Examinations, on specific days when the school has a very heavy center, we will have to switch to the **ONLINE TEACHING MODE** as per schedule detailed below. On these specified dates, the students will join Online Classes using their Google Classrooms as per 'Time Table for the Online Classes' which can be accessed through 'Student Login Id' on Monday, 25 April, 2022 - the day on which Google Classroom Ids of new classes will also be activated.
