Parental Circular

Class XI - Provisional Subject/ Section Allocation (2022- 2023)

Dear Parents

Greetings of the day!

Class X Term 2 CBSE Examinations are over and have paved way for an important landmark in the academic calendar of our young protégées. Their graduation from Secondary to Senior Secondary levels also marks their initiation into Subject specific field that would enable them to choose their options for further higher studies.

In Class XI, the subject allocation is based on the compilation of comprehensive performance of students as well as the number of students opting for a particular combination (as specified in earlier circulars).

Please check – Class XI Provisional Subject/ Section Allocation (2022 - 2023) - uploaded on the Class Notice Board on the School Website to know the details of the combination of Subjects and Section allocated to your ward.

Any further change, if desired, will only be made after the declaration of Class X CBSE Board Result 2022.

Additional Subject will be allocated in the month of August 2022.

Regular Classes for Class XI will commence from Monday, 4 July 2022.

Please ensure that students spend their time judiciously for constructive development for future prospects.

Note: As per the CBSE scheme of studies Class XI & XII is a two-year course. Hence, subjects studied in Class XI would continue in Class XII also.

Regards

Principal
