Dear Parents

Greetings of the day!

The culmination of Class X CBSE Examinations has paved way for an important milestone in the academic schedule of our young students. Their graduation from Secondary to Senior Secondary level also marks their commencement into Subject specific turf that would enable them to choose their realm for further studies.

In Class XI, the subject allocation is based on the compilation of comprehensive performance of students as well as the number of students opting for a particular combination (as specified in earlier circulars).

Please check – Class XI Provisional Subject/ Section Allocation (2023 - 2024) - uploaded on the Class Notice Board on the School Website to know the details of the combination of Subjects and Section allocated to your ward.

Any further change, if desired, will only be made till Friday, 31 March, 2023 or the declaration of CBSE results thereafter.

Additional Subject will be allocated in the month of August 2023.
