Parental Circular Academic Session 2023-24 – A Succinct

Saturday, 1 April 2023

Dear Parents
Greetings!

At the commencement of the new Academic Session '23-24, we extend a warm welcome to you and your ward and pray that it begins with renewed energy and enthusiasm as we move towards new goals and strategies to work towards guiding, motivating and mentoring our students towards new heights.

Habits learnt at this formative stage form the basis for the years to follow. For us, in school, discipline and self-discipline is ingrained into our students right from the inception and we whole heartedly thank all parents for their support and cooperation in this endeavour and look forward to your continued support.

➤ **The New Academic Session commences for-**

1. Classes LKG to X & XII on Monday, 3 April 2023
2. Class XI (Provisional) on Monday, 10 April 2023

Please ensure that your ward is punctual in reporting to school as per above schedule, in proper Summer School Uniform. Half day leave is not granted to students and in case a student falls ill on the day of an exam and has to be sent home, the answer sheet is not evaluated, hence do not send her / him to school in case [s]he is unwell.

- As per guidelines issued from time to time, the school continues to follow a policy of 'NO MOBILE PHONE ZONE', therefore mobiles are not permitted in school premises / nor is there any arrangement to keep them at the school gate. You are requested to assist us in DEADDICTING students from mobile phones. Discourage your ward from being active on social media, rather encourage face to face interactions, reading books etc.
- In the School Almanac, Page 15 – Guidelines for Parents are detailed. Please disseminate the details to your ward before putting your signatures on it.
- **Time Table, Seating Plan and Dispersal Schedule** has been uploaded on the Class Notice Board. In this regard, please ensure that your ward -
- a. reaches home directly from school and does not loiter around with friends / around school / market / parks etc., failing which appropriate action will be taken against him /her.
 - b. contacts school reception / class teacher in case of any difficulty / problem.
 - c. waits inside school in allocated rooms after school in case there is delay in picking him/her up.
- It is time once again, at the beginning of the New Session, for teachers and parents to join energies and help students in relearning self- discipline along with a regular review of school rules.

The Govt. of India had recently modified the provisions of the ‘[The Motor Vehicles \(Amendment\) Bill, 2019](#)’, wherein it is now specified as under -

Offences by Juveniles: Guardian/ owner shall be deemed to be guilty of offences by juveniles. The guardian will have to pay a fine of ₹ 25,000 and may face three-year imprisonment. The juvenile will be tried under the Juvenile Justice Act. Registration of Motor Vehicle will be cancelled.

This amendment in the Law clearly emphasizes/ highlights liability of parents in case of omission by minors. Keeping the above in view, we once again request you to ensure that your ward does not ride scooty /motorcycle / battery operated vehicle / four wheeler to school and that you regularly check his/ her bag to ensure that [s]he is not carrying any prohibited article to school. Further, for the safety of your minor ward, keeping in view his /her impressionable age, please check / monitor that [s]he is not active on Social Media Accounts / Groups etc.
