Saturday, 13 May 2023

Dear Parent

Greetings of the Day!

Summer Vacations provide a welcome creative relief that breaks the monotony of a tedious routine. It is undoubtedly the time which allows one to alter the regular routine to indulge in something that spices up the interests to change the standardized course of life. The memorial deposits created in this reset mode recharge every individual and one can return to the regular course with fresh energy, pristine vigour and futuristic planning making oneself better and more productive in days to come.

This year, the Summer break will commence from Monday, 15 May 2023. The School will reopen for Classes X to XII from Thursday, 15 June 2023 and for L.K.G. to IX from Monday, 3 July 2023.

Students of Classes X - XII to check their Class Notice Board for details of Timings for the duration of classes from Thursday, 15 June, 2023 to Friday, 30 June, 2023.

With an expectation of everyone enjoying themselves and brushing themselves to their responsibilities of building good health, culturing strong connecting values with near and dear ones and rejuvenating themselves, let these times be moments of joy, laughter and connectivity.
