Class V - Third Language Option for Class VI Session 2024-25

01.12.2023

"The knowledge of a language opens the doors of wisdom."

Dear Parent

As envisioned in the Education Policy, multilingual education helps preserve the wealth of cultural and traditional heritage that is embedded in every language around the world, enhancing students' communication skills thereby augmenting the overall academic and professional growth of a child.

At Sachdeva Public School, Rohini, we are committed to instilling in our students a profound respect for linguistic diversity.

As the students of Class V embark on their middle school journey and transcend to a new academic grade, learning a new language will be an enjoyable pursuit for them.

In Class VI students are required to add one more language to their curriculum, alongside mandatory English and Hindi. The school offers a choice between **French and Sanskrit**. We kindly request you to select the third language for your child. This language will be studied until Class VIII. Please ensure that you make the right choice on behalf of your ward.

Please complete the consent slip given to your ward and ensure submission to the Class Teacher by Monday, December 11, 2023.

Note:

1. **The final allocation of the Third Language subject will be decided by the school authorities.**
2. **No change in option will be permitted once the Consent Slip has been submitted.**
3. **Consent slip has also been attached below.**

With warm regards
