## PARENTAL CIRCULAR – Class XII Examination Update

*“Persistence and perseverance pave way towards perfection.”*

Dear Parent

Greetings of the day!

The month of January marks the culmination of academic session along with the onset of new beginnings. The yearlong grooming of the academic genius of our students and their subsequent hard work will now be put to test in the upcoming Practical and Board examinations. We have always stood in support of our students believing that school is the second home for them. To assist them during these strenuous times, our counsellors, teachers and staff will be available as a support mechanism.

To keep yourself updated with all the required details of Practical/ Examination Schedule/Board Roll Nos., we request you to regularly check the Class Notice board of your ward.

As they embark on a new pathway of their life ahead away from our tutelage, we wish them success in all their future endeavours.

Regards

**PRINCIPAL**
