Thursday, 2 May, 2024

The whole universe conspires to give the best to those who dream and work.

Dear Parents

Warm Greetings!

We firmly believe that a strong partnership between parents and educators plays a paramount role in the pedagogical odyssey. We are committed to nurture meaningful interactions with parents to ensure a supportive and enriching educational experience for every child.

As custodians of their well-being, we are also entrusted with a duty to safeguard and nurture the health of our young ones with unwavering devotion and tender care, especially as temperatures are soaring. It is therefore crucial that we all stay safe and take precautions to avoid overheating and dehydration. Ensure that children protect themselves from direct exposure to sunlight and drink plenty of fluid.

At this juncture we plan to check the efficacy of our Google Classroom by organizing an **Online Parent Teacher Interaction** as per the following schedule:
