Parental Circular Update on Fees

05.10.2024

Dear Parent

Seasons Greeting!

We at SPS, Rohini always focus on imparting quality education for holistic development of children. We appreciate your trust and support in partnering with us to provide the best educational experience to your child. As you are already aware that the tuition fee was increased by a meager 5% for the Academic Session 2022-2023 effective from 01.04.2023. The school expenses have been mounting up due to inflation and rising costs associated with maintaining infrastructure, learning resources and staff disbursement.

Inspite of the financial hardships, the school has been trying its best to maintain the high standards of education and facilities. However now it has become very difficult to run the affairs of the school with the present fee structure. This matter has been already conveyed to the Directorate of Education as per rules demanding fee hike from April, 2023.

In the current circumstances, the school has decided to increase the fee @ 9.5% of tuition fee w.e.f. April, 2024 but being implemented and payable w.e.f. October, 2024. This decision has been taken in view of various court orders which allow the school to increase the fee in such a scenario.

This fee revision is crucial to ensure smooth running of school operations and continued educational excellence that your child deserves. The revised fee structure has been uploaded on fee payment portal of the school website.

We thank you for your understanding and hope for your full co-operation and support in this regard.

Best regards
