Class V - Third Language Option for Class VI Session 2025-26

Monday, 14 October 2024

"The knowledge of a language is the doorway to wisdom."

Dear Parent

Seasons Greetings!

As outlined in the New Education Policy, the multilingual education helps preserve the rich tapestry of cultural and traditional heritage found in languages worldwide. Learning a third language not only enhances students' linguistic skills but also fosters cognitive flexibility, nurtures cultural sensitivity and empowers them to become informed citizens who appreciate and embrace the diversity of our society.

At Sachdeva Public School, Rohini, we are committed to cultivating respect for linguistic diversity among our students.

As the students of Class V embark on their middle school journey and transcend to a new academic grade, learning a new language will be an enjoyable pursuit for them.

As of now, a student studying in Class V is required to learn one more language from Class VI onwards in addition to mandatory **English & Hindi**. The school offers a choice between **French and Sanskrit** to the students. Kindly exercise your option for your ward's third language. Students are required to study this language till Class VIII. From Class IX, they will be required to study one of the three languages; **Hindi, Sanskrit or French** in addition to **English**. Please ensure that you make the right choice on behalf of your ward.

Kindly fill up the consent slip for the Academic Session 2025-26 and ask your ward to submit it to the Class teacher latest by **Friday, 18 October, 2024** positively.

Note:

1. **The final allocation of the language will be decided by the school authorities.**
2. **No change in option will be permitted once the Consent Slip has been submitted.**

Wishing you happiness and prosperity on the occasion of Diwali, and may this Festival of Lights illuminate your life with joy, harmony, and achievement in all your pursuits.
