PTM & PARENTAL WORKSHOP - POSITIVE PARENTING CLASS-VI

Raising a child is like planting a seed and watching it grow into a beautiful flower.

Dear Parents

Tuesday, October 29, 2024

Warm Greetings!

We take pleasure in inviting you to our upcoming Parental Workshop focused on Positive Parenting.

We understand that Parenthood is a sacred privilege, a profound responsibility, and a boundless wellspring of unconditional love that knows no bounds. Every word, movement and action of the parent has a tremendous effect on children as they are their ultimate role models. No other person or outside force has a greater influence on a child than the parent. Parenting is a rewarding yet challenging journey and we believe in supporting parents with valuable insights and strategies from time to time.

This workshop has been designed to provide you with actionable parenting tips by Dr. Shilpa Gupta, a renowned therapist and emotional well-being consultant and Founder of EmoAid. She aims to provide valuable insights and strategies to help you navigate the unique challenges and joys that come with parenting children at this crucial age. She is also a specialist in working with adults and parents. We believe that a strong and supportive community of parents can make a significant difference in children's lives.

Your presence and participation is highly valued as we come together to explore ways to enhance our parenting skills. We look forward to seeing you at the PTM cum Workshop, embarking on this insightful parenting journey together as per the following schedule:
