Thursday, 14 November 2024

Dear Parents

Season's Greetings!

The resplendent spirit of the festive season reiterates the supremacy of the indomitable human spirit that overpowers all odds to emerge vibrant and victorious. It is this drive to excel in every endeavour that becomes a guiding beacon which illuminates our lives through all phases.

At SPS, we aim to provide holistic development to our students so that they emerge to be balanced individuals ready to shine in all spheres of life. The multifarious schedule devised at school in sync with the latest developments ensures their comprehensive growth.

As they enter Class X, our students step on to a significant threshold which is instrumental in shaping the course of their future. After a graded exposure to all fields till Class X, in Class XI they exercise their option for choosing a specific stream that eventually leads them towards their chosen career path.
