Together Towards Excellence : A Message from the Principal

“A journey of a thousand miles begins with a single step.”

Dear Parents

Warm Greetings!

It is with great humility and a deep sense of purpose that I step into the role of Principal at Sachdeva Public School, Rohini. I am both honored and excited to join an institution known for its academic excellence, strong values and commitment to the holistic development of students for over three decades.

With a professional journey spanning more than 30 years in education, - including 18 years as Principal of a reputed school in South West Delhi. I have always believed that schools are not just places of learning, - they are spaces where character is shaped, curiosity is nurtured, and future citizens molded. I am committed to fostering an inclusive, stimulating, and supportive environment - one that empowers every student to thrive - not just academically, socially and emotionally.

As we embark on this new chapter together, I look forward to building a strong partnership with our dedicated faculty, supportive parent community, and our curious, talented young learners. I welcome your ideas, your involvement, and your shared vision as we continue to uphold the legacy of SPS, Rohini, while evolving to meet the needs of a changing world.

Let us work hand in hand to inspire excellence and create a nurturing space where every child can dream, discover, and flourish.

Warm regards

Dr. Namita Sharma
Principal
